

Canterbury Education Group

Canterbury Education Group (CEG) has over 15 years of experience in delivering English Language, Vocational and University Courses in the international arena. CEG has institutions based in the heart of both Sydney and Brisbane, which include: Canterbury Language Academy (CLA), Canterbury Business College (CBC), Canterbury Technical Institute (CTI) and partner institution the University of Southern Queensland – Sydney Education Centre (USQ-SEC). These institutions are within walking distance to main transport, education, sports, government and tourist facilities.

CEG offers quality education at affordable prices. All programs have attracted national recognition and are approved by the Australian government authorising body the Australian Skills Quality Authority (ASQA). CEG offers programs to cater for the needs of international students in a dynamic vocational and tertiary education environment.
